# MEASURES TO APPEAR ON BALLOT NOVEMBER 5, 2024 GENERAL ELECTION

## Measure B

(Cities of Lincoln, Rocklin and Roseville) Requires Simple Majority to pass

South Placer Traffic Relief. Shall a measure to reduce traffic congestion and build transportation projects in Roseville, Rocklin, and Lincoln-including widening Highway 65; fixing the 80/65 Interchange bottleneck; funding local road repair; guaranteeing more State transportation matching funds; and authorizing bond financing-by establishing a half-cent sales tax that cannot be taken by the State and would raise approximately \$41,000,000 annually over 30 years, with independent audits and a citizens' oversight committee, be adopted?

## Measure C

(Town of Loomis)
Requires Simple Majority to pass

Shall the measure to continue – without increasing taxes – a local general tax originally approved by voters in 2016 for general government use including keeping the Loomis Library and Community Learning Center open and continuing to provide library/learning center services and access to computers and technology, by extending the existing one-quarter percent transaction and use tax until ended by voters, and providing approximately \$925,000 each year subject to annual audits and public review, be adopted?

# **Measure D**

(Foresthill Fire Protection District)
Requires 2/3 vote to pass

Shall the measure to extend the existing special parcel tax, which will otherwise be sunset in 2034 and that levies \$268.38 per year per parcel, raising approximately \$857,000 annually, with an annual adjustment of \$7.00 that the District may impose to allow for inflation, with all revenue being spent on emergency medical response and fire protection in Foresthill, until ended by voters, be adopted?

# **Measure E**

(Loomis Union School District) Requires 55% vote to pass

Loomis Union School District Classroom Repair/ Local Control Measure. To upgrade local prekindergarten - 8th grade classrooms/labs/restrooms, remove hazardous materials where discovered, fix leaky roofs, failing heating, cooling, gas, electrical, and plumbing for safe drinking water, shall Loomis Union School District's measure be adopted authorizing \$48,000,000 in bonds at legal rates, averaging \$27 /\$100,000 of assessed value, (raising \$2,700,000 annually) while bonds are outstanding, with independent oversight, public spending reports, no funds for administrator salaries, and all funds locally controlled?

# **Measure F**

(City of Auburn)
Requires majority vote to pass

Shall the measure funding police, fire, street maintenance, pothole repairs, parks, and for general government use for maintaining other City services by increasing the City's transient occupancy tax (paid only by hotel and lodging guests) on hotel rent by 2% matching nearby city rates, and by

extending it to short-term rentals, to last until voters end it, raising approximately \$162,000 in additional revenue per year that cannot be taken by the State, be adopted?

#### Measure G

(Ackerman School District) Requires 55% vote to pass

To improve Bowman Charter School; replace outdated heating, ventilation and air-conditioning systems; modernize/construct classrooms, restrooms and school facilities; upgrade playgrounds and playfields; and make energy-efficiency improvements; shall Ackerman Charter School District's measure be adopted authorizing \$4,000,000 of bonds at legal interest rates, generating on average \$260,000 annually for issued bonds through maturity from levies of approximately \$26.85 per \$100,000 assessed value, with annual audits, citizens' oversight, no money for salaries and all money staying local?

#### **Measure J**

(Elverta Joint Elementary School District) Requires 55% vote to pass

To improve the quality of local schools; upgrade inadequate electrical systems; replace leaky roofs; modernize outdated classrooms, restrooms and school facilities; and make health, safety and handicapped accessibility improvements; shall Elverta Joint Elementary School District's measure authorizing \$4,300,000 of bonds at legal rates be adopted, generating approximately \$267, 190 annually while bonds are outstanding at estimated average rates of \$29.14 per \$100,000 assessed value, with annual audits, independent citizens' oversight, NO money for salaries and all money staying local?
