CANDIDATE STATEMENT PLACER COUNTY BOARD OF SUPERVISORS, DISTRICT 3

Name: ANTHONY M. DEMATTEI Age: 59

Occupation: Farmer/Small Businessman

Education and Qualifications: I am a fifth-generation California farmer, small businessman and problem solver.

Placer County – including Rocklin and Penryn – has been my home for the past 27 years. I operate Highland Orchard, a 39-acre mandarin farm, and serve 3rd district residents as their County Planning Commissioner. My background in agronomy, labor housing and water management will allow me to hit the ground running as your Supervisor.

While on the planning commission, I supported smart growth policies that kick-start economic development and create jobs, while also ensuring that Placer County retains its important character – we cannot become the next Sacramento.

I'll push policies that make Placer County more prosperous and affordable, preserve Prop 13 protections, support more housing options for the middle class and clean-up homeless encampments.

I'll also make sure our police officers and firefighters have the tools they need to keep us safe, which is why firefighters and retired police officers are supporting my campaign.

My roots in Placer County are deep. I will use my experience as a small business owner and problem solver to unite residents, businesses and government as we fight for a better Placer County.

I hope to earn your vote. Learn more at www.ElectAnthony.vote.

CANDIDATE STATEMENT PLACER COUNTY BOARD OF SUPERVISORS, DISTRICT 3

Name: MIKE MURRAY Age: 39

Occupation: Rocklin Businessman

Education and Qualifications: Growing up in Placer County, life seemed less complicated. After college and !aw school, I returned to Rocklin where my wife and I now raise our two school-age children. It's a dream come true to share the same schools, playgrounds, ballparks, and streets. But our quality of life is under constant attack.

I'm running for supervisor to give my children the opportunities and quality of life I enjoyed. I will work every day to keep our families and businesses in Placer. Throughout my career, I've fought for public safety, parental rights and low taxes. My family, friends and colleagues know that as your supervisor I will take on a good fight if it means a better community, better county, and better country.

Endorsed by: Assemblyman Joe Patterson; State Senator Roger Niello; Placer County Supervisor Shanti Landon; Rocklin City Council Member Bill Halldin; Rocklin Unified School Board members Tiffany Saathoff, Julie Hupp, Rachelle Price, and Dereck Counter; Loomis Town Council Members Danny Cartwright, Stephanie Youngblood, and Amanda Cortez; and Sheriff John McGinness among other elected officials, business owners, and community leaders.

I humbly ask for your vote.
