

**CANDIDATE STATEMENT  
EUREKA UNION SCHOOL DISTRICT**

**Name: DANE THOMPSON** **Age: 45**

**Occupation:** Electrical Engineer

**Education and Qualifications:** With two K-8 children in the Eureka Union School District (EUSD), I have a direct interest in the content, character, and outcome of their development.

Interest in education runs in my family. My parents careers were both in education in local school districts. My wife is incredibly involved in local schools, having led Jogathon at Greenhills three times, and currently running the Read-A-Thon for Excelsior. I attended many School Board meetings from 2020-2022 and spoke often in support of childrens' rights and getting them back in school. I reminded the Board of why we had pulled our children from EUSD during that time, and that I hoped we could return once the children were free to be back in the classroom. We have now been back for one year, having had many positive experiences, and others worthy of solution exploration.

At a recent Board meeting, an EUSD student poll revealed the childrens' top three requests for school: 1) Don't cut recess, 2) More hands-on practical skills, and 3) More balls for the playground. We should listen. I plan to encourage and contribute to community-driven skill/topic training.

Your/my childrens' best interests are the reason that I am running.

EUREKA UNION SCHOOL DISTRICT**

**Name: TYLER M. HOLT** **Age: 37**

**Occupation:** Father, Orthodontist, Eureka Union School District Board Trustee

**Education and Qualifications:** I grew up in the Eureka Union School District and I loved my schools, my teachers and activities. I love Granite Bay and I am so proud to be from here. I have always wanted to serve and continue to be a part of this community. It has been ingrained in me to contribute and serve, and that's why I am seeking re-election to the school board.

I want to continue the tradition of excellence in our school district. Our schools have a distinguished reputation and provide an exceptional experience to prepare tomorrow's leaders. I have worked as the trustee for the past three years and have loved working with school leaders for more STEAM learning, improvement of our technology and parental involvement.

One of the greatest strengths of the district is the people. I am an ally to our excellent students, parents, teachers and administrators to see that we continue to provide the best education, emotional and mental well-being for all. As a community member, friend and parent in our school district, I am fully invested in the success of each of our students.

Vote Holt.

EUREKA UNION SCHOOL DISTRICT**

**Name: RENEE C. NASH** **Age: 58**

**Occupation:** Small Business Owner

**Education and Qualifications:** With a deep commitment to our students, parents, and community, I am seeking re-election to the Eureka Union School District Board of Trustees. Under my leadership, Eureka has expanded its outstanding academic programs, maintained fiscal stability, and remained a destination district in our area, which has helped maintain strong property values in our community. Eureka continues to achieve the highest standardized test scores in Placer County.

I am a dedicated civic leader and have been serving the Roseville/Granite Bay area in various capacities for over 20 years, serving six years on the Eureka Schools Foundation Board. I also serve at the statewide level as a Director on the California School Boards Association, where I am passionate about ensuring that local control of critical issues facing our public schools remains with locally elected school board members.

I am a fiscal conservative and committed to transparent government and fiscal responsibility. Eureka has a balanced budget and is expanding its academic programs. The state's budget crisis, the district's aging facilities, and a growing number of complex problems facing public schools require steady and experienced leadership. I understand these challenges and how to work to resolve them. I would be honored to have your vote.

**DECLARACIÓN DEL CANDIDATO  
DISTRITO ESCOLAR UNIFICADO DE EUREKA**

**Nombre: RENEE C. NASH** **Edad: 58**

**Ocupación:** Propietaria de Pequeña Empresa

**Educación y Calificaciones:** Con un profundo compromiso con nuestros alumnos, padres, y comunidad, busco la reelección a la Junta de Fideicomisarios del Distrito Escolar Unificado de Eureka. Bajo mi liderazgo, Eureka ha ampliado sus excelentes programas académicos, ha mantenido la estabilidad fiscal, y ha seguido siendo un distrito de destino en nuestra área, lo que ha ayudado a mantener fuertes los valores de las propiedades en nuestra comunidad. Eureka sigue obteniendo los mejores resultados en las pruebas estandarizadas del Condado de Placer.

Soy una líder cívica dedicada y he estado sirviendo al área de Roseville/Granite Bay en varias capacidades durante más de 20 años, estuve seis años en la Junta de Fundación de Escuelas de Eureka. También sirvo a nivel estatal como Directora en la Asociación de Juntas Escolares de California, donde me apasiona garantizar que el control local de los asuntos críticos a los que se enfrentan nuestras escuelas públicas permanezca en manos de los miembros locales de las juntas escolares electos.

Soy fiscalmente conservadora y estoy comprometida con un gobierno transparente y con la responsabilidad fiscal. Eureka tiene un presupuesto equilibrado y está ampliando sus programas académicos. La crisis presupuestaria del estado, el envejecimiento de las instalaciones del distrito, y un número creciente de problemas complejos a los que se enfrentan las escuelas públicas requieren un liderazgo firme y experimentado. Entiendo estos desafíos y cómo trabajar para resolverlos. Sería un honor contar con su voto.
