

**CANDIDATE STATEMENT
LINCOLN CITY COUNCIL, DISTRICT 3**

Name: JAMES ENSTEN

Occupation: Businessman

Education and Qualifications: As your representative, I bring a wealth of experience and a long-standing commitment to the community. With my background in business development and proven record of leadership, I am well-equipped to address the needs of Lincoln.

I believe in preserving the small-town charm of Lincoln while fostering economic growth. I understand that a thriving economy is essential for the community's prosperity, and I am dedicated to attracting new businesses and creating job opportunities. My experience in business development will be invaluable in crafting policies that support local enterprises and stimulate economic activity.

Thoughtful development is another cornerstone of my vision for Lincoln. I believe in smart growth strategies that balance development with the preservation of open spaces and the environment. By prioritizing sustainable practices, I aim to ensure that Lincoln grows in a way that benefits all residents without compromising the town's natural beauty.

Community involvement is at the heart of my campaign. I am committed to enhancing services, improving safety, and fostering a sense of unity. My leadership style is inclusive and collaborative, ensuring that all voices are heard and considered in decision-making processes. Vote for me to support a candidate who values community, economic growth, and sustainable development.

**CANDIDATE STATEMENT
LINCOLN CITY COUNCIL, DISTRICT 3**

Name: JOHN REEDY

Occupation: Small Business Owner and Planning Commissioner

Education and Qualifications: Public Safety, Quality of Life, Economic Opportunity, and Fiscal Accountability. These are the reasons I'm running for Lincoln City Council.

For the last 18 years my wife and I have called Lincoln home while raising our teenage daughter. If elected, my highest priority is improving the City's long-term level of service and fiscal health.

As a small business owner, I know firsthand the challenges of tight budgets and complex regulatory issues. As a Board Member at my daughter's school and soccer club I see the positive impact good neighborhoods, parks, schools, and activities have on our children.

As President of the Lincoln Crossing Community Association, our Board built consensus on a \$10 million project without raising assessments. As a Planning Commissioner and Fiscal Investment and Oversight Committee Member, I have the unique opportunity to be at the intersection of Lincoln's planning and city finances.

I am honored to have the support of Sacramento Area Firefighters Local 522, Mayor Dan Karleskint, Mayor Pro-Tem Holly Andreatta, Councilmember Ben Brown, and City Treasurer Richard Pearl, among others.

I am proud of my record of service and would be honored to earn your vote.

**CANDIDATE STATEMENT
LINCOLN CITY COUNCIL, DISTRICT 3**

Name: DENNIS J CLEAR

Age: 73

Occupation: Retired Public Sector Employee

Education and Qualifications: I am running for a seat on the Lincoln City Council because a healthy democracy depends on many citizens being engaged in the political process. I joined the US Air Force in 1973 and flew for six years as a Navigator on the C-141 aircraft out of Norton AFB in San Bernardino. I resigned my commission and moved to Sacramento in 1980, obtained a Masters in Public Administration (MPA) degree, worked for and then retired from the state of California in 2015. As a Legislative Officer under the Wilson, Davis, and Schwarzenegger Administrations, I participated in that process at the state level by working with members of the California Legislature for over a decade and providing expert testimony at policy and fiscal hearings. I look forward to bringing that background to local government and my experience working for the California Departments of Alcoholic Beverage Control, Insurance, Motor Vehicles and Parks and Recreation has convinced me government-at all levels-must make public safety, fiscal responsibility and customer service its top priorities. I am prepared to help Lincoln meet those goals as it grows and prospers.

**CANDIDATE STATEMENT
LINCOLN CITY COUNCIL, DISTRICT 3**

Name: ANTHONY C. BERSAMIN II

Age: 42

Occupation: Non-Profit Chairman/Father

Education and Qualifications: For the past 15 years, I have had the privilege of calling Lincoln my home. It was here that my daughter grew into the young lady she is today. Our amazing schools, teachers, and coaches have enabled her to learn, grow, and thrive. We have been fortunate to live in a city where crime is relatively low, thanks to our dedicated law enforcement officers. I have grown to love this city with its small-town charm and country way of living. We raised our family here because of the amazing quality of life, and because Lincoln is truly a small slice of the American dream.

Since 2016, I have served the community of Lincoln as a volunteer for the Lincoln 4th of July Foundation, a 501(c)(3) non-profit organization. Additionally, I have been a board member with the Downtown Lincoln Association. Both organizations have enabled me to work closely with city leaders, community members, and small businesses. If I can earn your vote, I would like to continue serving the residents of Lincoln as your next City Councilman representing District 3. Please allow me the privilege of continuing my duty to public service. Thank you.
