

**CANDIDATE STATEMENT  
LINCOLN CITY COUNCIL, DISTRICT 4**

**Name:** RICHARD L. PEARL

**Occupation:** Lincoln City Treasurer

**Education and Qualifications:** For most of my career, I worked as a consultant advising local governments on how to make smarter fiscal and management decisions. At the onset of the Great Recession, Lincoln was facing fiscal crisis. I used my work experience to help stabilize our financial situation, chairing the 2012 Fiscal Sustainability Committee, the Economic Development Committee, the Airport Committee, and the Fiscal & Investment Oversight Committee. As City Treasurer, I have been a watchdog in city finances and an advocate for fiscal responsibility.

I am running for City Council to bring experience, leadership, and vision to our city and focus on the key issues—supporting investments in public safety, ensuring well planned new growth.

I am proud to have the support of leaders like Congressman Kevin Kiley, Assemblyman Joe Patterson, Supervisor Shanti Landon, Lincoln Mayor Dan Karleskint, councilmembers Holly Andreatta, Ben Brown, Paul Joiner, many Sun City Lincoln Hills current and past Board of Directors, and the Sacramento Area Firefighters, Local 522.

I believe my experience and passion for making government perform at its best will allow me to help preserve all the great things that make Lincoln such a wonderful place to live. I hope to have your vote.
