

CANDIDATE STATEMENT
PLACER COUNTY BOARD OF EDUCATION, TRUSTEE AREA 2

Name: ANDREW TAGG

Occupation: Placer County Board of Education Trustee/Banker

Education and Qualifications: I am a parent. I am your neighbor. I am your voice in education.

I strongly believe in our public education system and public service.

I believe every student should benefit from a quality education and environment that produces a path to success.

I believe in educational choices and parental rights.

Over the past three years, the Placer County Board of Education addressed the rights of parents and students in the school setting. We have prioritized accelerated learning and achievement within our programs. We have established relationships with school districts and school boards throughout the county. We have advocated for students enrolled in Placer County Board of Education programs and public education.

Previously, I served on the Roseville Joint Union High School District Board for five years, including as Board President in 2020 and 2021. Under my term we were a leader in bringing students back to the classroom - earlier than any other school district - while offering alternatives for those families not ready to return in person.

I am a commercial banker, who has a deep understanding of finances and I have developed a great understanding of school financing.

I ask for your vote, so I can continue to serve.

CANDIDATE STATEMENT
PLACER COUNTY BOARD OF EDUCATION, TRUSTEE AREA 2

Name: CHRISTIANNA HEIHN

Occupation: Educator/Parent

Education and Qualifications: I am asking for your vote for Board of Education Trustee because we share a belief in the power of education to transform lives and communities.

As an adopted orphan, I felt called to advocate for and work to protect vulnerable children. I have volunteered and taught in schools and orphanages, have served on professional committees and executive boards of many organizations and nonprofits, and worked on education legislation and policies that protect vulnerable children.

As an experienced educator, I bring classroom experience and a firsthand understanding of the needs of our students, teachers, staff and families. I have taught at our local public and charter high schools and am currently a professor at Sierra College.

As a dedicated parent of children in our local elementary schools, I am personally invested in the success and well-being of our students and schools. As a classroom volunteer, I understand the vital role parents play in their children's education.

I am committed to supporting our exemplary schools and ensuring that every child gets the highest quality education that prepares them for a successful future. I thank you for your consideration and humbly ask for your vote!
