PLACER HILLS FIRE PROTECTION DISTRICT**

**Name:** NICOLE PASKEY

**Age:** 39

**Occupation:** Small Business Owner/Wife/Mother

**Education and Qualifications:** Hello there! My name is Nicole Paskey and I'm a small business owner, wife, mother and lifelong resident of Placer County. My husband and I met at our local high school and we love our area and small-town community mindset and are proud to be raising our two sons here. I have a deep vested interest in our local fire department and the multitude of services they provide given the challenges of our special geographical location. I've been employed within the fire service statewide for over 12 years and understand its' interworking's and what it takes to run effectively and efficiently. Having an additional and unique viewpoint being a fire service family, I know I can play a positive role in the continual growth within Placer Hills Fire Protection District and the level of services being provided to our residents. I believe in transparency, supporting community involvement, and commitment to the service of our public members as well as Fire Department staff and personnel. I have the support of our local firefighters and humbly ask for your vote. It would be my privilege to serve as a Board Member for the Placer Hills Fire Protection District.
