

**CANDIDATE STATEMENT
PLACER HILLS UNION SCHOOL DISTRICT - 2 YEAR**

Name: ALLISON HARVEY

Occupation: School Board Trustee/Parent/Business Leader

Education and Qualifications: As a current Trustee in Placer Hills Union School District I'm very proud of the work our board has done. I grew up in Meadow Vista, attended Placer Hills, Weimar Hills and graduated from Colfax High School. After college my husband and I chose to come back to the area to raise our children. Education is of the utmost importance to our family and having a strong school board and best education available to the children in our community is a top priority which is why I ran 4 years ago, and am running again to continue the work I've started.

On the PHUSD board I served as President for two years and I'm active in our community. As a current Trustee I understand the importance of a balanced budget and reasonable fiscal spending. As a business owner and attorney I have the honor of helping people with the most important decisions about their lives. I've served as President of the Auburn Chamber of Commerce, and I've served on boards for three local non profit organizations including Placer Hills Education Foundation (PHEF).

I will continue to provide value by providing realistic solutions and work tirelessly to ensure the best for the children in our community. Visit www.electallisonharvey.com to learn more. I would be honored if you'd vote for me.

**CANDIDATE STATEMENT
PLACER HILLS UNION SCHOOL DISTRICT - 2 YEAR**

Name: RUSS POWELL

Age: 68

Occupation: Economic Consultant

Education and Qualifications: I am a 20-year resident of Meadow Vista. I strongly believe my background and desire that all students achieve success will benefit our schools and community. Attending public schools locally, and graduating from Placer High School, I am thankful for the quality public education I received. Placer Hills students deserve no less. Education that includes STEM, music, and the arts in a safe inviting environment.

I earned a degree in History from the University of California, Davis and a Master's in Public Policy and Administration from California State University, Sacramento. Working in public finance for over 40 years, my career has included helping a number of school districts and I have developed a deep understanding of many of fiscal the issues challenging our schools. I believe I can apply my experience to our Placer Hills schools.

Careful fiscal management ensures we can both focus on student achievement, and ensure our teachers are well paid. I have worked with public agencies to help them meet their responsibilities to their employees and the taxpayers and would like to serve our Placer Hills schools and community.

Thank you for your vote.
