

<p style="text-align: center;">CANDIDATE STATEMENT ROSEVILLE CITY SCHOOL DISTRICT, TRUSTEE AREA 5</p> <p>Name: CASSIE LIN Age: 35</p> <p>Occupation: Compliance Analyst</p> <p>Education and Qualifications: I've lived in Roseville for 12 years. I moved here from Reno with my husband, and we fell in love with the area. Like many, we bought a home in West Roseville for the amazing schools, and my son currently attends Junction Elementary School. As a mom, I understand the important role parents and families play in the success of our students and schools. I've volunteered in our schools, serving on the School Site Council and the Positive Behavioral Interventions and Supports Team at Junction Elementary. I've seen first-hand the positive impact on our students when parents and teachers work together. Professionally, I have a Bachelor's in Accounting from the University of Nevada-Reno and 12 years of experience working in real estate and banking. As a trustee, I will focus on providing all students with a safe learning environment where they can excel. I will listen to the concerns of parents and students, collaborate with district teachers and staff, and prioritize the fiscal stability of our district by maximizing resources while maintaining high educational standards. Please vote for me as your school board Trustee for Area 5.
