

**CANDIDATE STATEMENT
ROSEVILLE JOINT UNION HIGH SCHOOL DISTRICT,
TRUSTEE AREA 1**

Name: MILTON C BROTT III

Age: 38

Occupation: Commercial Driver/Father

Education and Qualifications: The Roseville Joint Union High School District is an enormous school district that spans Antelope in Sacramento County all the way to Granite Bay in Placer County. The high school district moved to trustee areas in 2022. The area I'm looking to represent includes the Dry Creek area of Placer County and the City of Antelope in Sacramento County.

I'm running for school board to ensure that our community is represented on the school board. My family has lived in Antelope for 1 year. We have four children who attend our local schools.

As a parent I've witnessed unhealthy changes being forced into our classrooms without parent consent. We need a board member that will advocate for academic excellence, parent rights, school safety, improved facilities, school choice and fiscal responsibility.

If elected, I will put families first and ensure our schools operate to the highest academic standard possible. I will focus to make sure our curriculum exceeds state standards and to keep our classrooms safe.

I believe in the power of education and I believe in our community. I'd be honored to earn your vote. Visit Milton4SchoolBoard to learn more about my campaign.

**CANDIDATE STATEMENT
ROSEVILLE JOINT UNION HIGH SCHOOL DISTRICT,
TRUSTEE AREA 1**

Name: BILL SCHUETZ

Occupation: Parent, Education Professional

Education and Qualifications: I believe that providing our kids with a solid education and the skills they need to thrive and be successful adults is the most important thing we can do for them.

I have lived in the Dry Creek community for over 16 years and the parent of a current Junior and two graduates of Oakmont High School, where I currently serve on the site council.

I had the privilege of serving on the Dry Creek Elementary School board for six years (2016-2022), and for nearly 24 years I have dedicated my professional career to supporting public education as an attorney for school districts.

My experience and firsthand knowledge of the challenges our teachers and administrators face in providing students with a quality education, uniquely qualifies me to meaningfully contribute to the RJUHSD leadership team for the benefit of the students and families it serves, and our community and society as a whole.

If elected, I will work to ensure that RJUHSD puts students and their education first by remaining focused on the engagement, learning, achievement, and well-being of all its students.

Vote yes for a new voice on the Board for all students. Vote yes for Bill Schuetz! www.billschuetz.com
