

**CANDIDATE STATEMENT
ROSEVILLE JOINT UNION HIGH SCHOOL DISTRICT,
TRUSTEE AREA 5**

Name: DEBRA L. LATTERI

Occupation: Retired Educator

Education and Qualifications: I believe that with the dedicated Roseville Joint Union High School District (RJUHS) educational community coupled with strong family support, every student can have the ability to graduate with the empowerment of education to help them achieve great success in their life. I want to see every student receive a stellar education that provides them with the knowledge and tools to follow their passions as adults.

I have lived in Roseville for the past 40 years and spent 27 of those years invested in the RJUHS as a teacher, administrator, parent, and champion of students. In the Roseville community, I was involved in Scouts, youth soccer, baseball, and softball clubs. My children are graduates of the RJUHS and I will soon have grandchildren starting their journeys in the RJUHS.

As an educator, I gained first-hand knowledge of the professional, knowledgeable, and dedicated teachers in the district and have seen the life successes of many of their students. If elected, I will listen to family and students' ideas, support teachers in their efforts to improve curriculum and instructional methods and work collaboratively with the Board and educational community to provide every student with an education from which to launch their future.

**CANDIDATE STATEMENT
ROSEVILLE JOINT UNION HIGH SCHOOL DISTRICT,
TRUSTEE AREA 5**

Name: HEIDI HALL

Age: 48

Occupation: Roseville Joint Union High School District Trustee/Parent

Education and Qualifications: I am seeking reelection to the Roseville Joint Union High School District after first being elected in 2020.

One of my goals was to reopen our high schools during Covid. We were one of the first districts in California to reopen to in-person education. I presented the policy resolution to end mandatory masking of our students, which was unanimously passed in March 2021. That resulted in dozens of school districts statewide following our lead and the eventual suspension of the state mandate for schools.

Since then, my focus has been to help bridge the learning gap created during the closures. I have helped establish a curriculum approval process, supported new sports fields and amenities, voted to approve improvement projects of both Roseville & Oakmont High School, and approved the partnership with Roseville Police Department to help with swift intervention for school safety and security.

In my next term, I plan to continue to help increase learning for students. I am committed to the excellence of our schools, preparing students for life, college and career, while continuing to attract and retain the best teachers in the state. I would be honored to have your vote. Visit www.HeidiHall4Schools.com
