Name: BAO NGUYEN

Occupation: Business and Technology Executive

Education and Qualifications: Hello, I'm a former technology executive at Verizon, Aol, LexisNexis, and other companies where I managed multi-national, billion-dollar organizations. I was a teaching faculty member at University of Phoenix and for the past 9 years, a volunteer speaker at Sierra College's Department of Engineering. While teaching, I leveraged my real-world business experience and technical leadership to develop a teaching philosophy that is engaging, cooperative, open, and student centered with strong support on and off campus. I observed that student successes drive campus successes.

Our family moved to Rocklin 18 years ago where we raised two sons. As a former underrepresented and underserved student, I studied (BSEE, MBA, Math degrees) and worked hard to reach the rank of Senior Vice President at high-tech companies. I know what students need to be successful. I served as member of the Board of Director at Minnesota's largest Federal Credit Union, brought fresh perspectives and actions, improving membership and community. I believe I have what it takes to improve Sierra College's successes through practical business agenda and strong leadership. I'm committed to ensure excellence for students and Sierra College with my drive, innovation, partnerships, and leadership.

I humbly ask for your vote on November 5th. Thank You!

SIERRA JOINT COMMUNITY COLLEGE DISTRICT,
TRUSTEE AREA 7**

Name: BOB SINCLAIR

Age: 72

Occupation: Attorney

Education and Qualifications: I am a lifelong resident of Placer County, residing in Rocklin for 40 years. My children and I attended local public schools. My wife is a retired special education professional who worked for decades in the Rocklin Unified School District.

I have a Bachelor of Science degree from the University of California, Davis, and a Juris Doctorate degree, with high honors, from Santa Clara University, School of Law. I've owned a local business for 45 years.

I've served the community as President of a local Chamber of Commerce, President of Rotary, former member of the Board of Directors of Placer SPCA, and member of the Board of Directors of Community 1st Bank. I was first elected to the Sierra College Board of Trustees in 2016 and currently serve as Vice-President of the Board.

Sierra College provides students with critical preparation for four-year college and careers. The Rocklin campus was constructed in the early 1960s. During my term, the Board of Trustees commenced rebuilding and renewing the campus, ensuring Sierra College can deliver a quality education in South Placer County for decades to come. If reelected, my priorities will be to continue developing curriculum that promotes educational and employment opportunities for students and overseeing the important rebuilding of the Rocklin campus.

I would be honored to continue to serve as trustee and thank you for your support.
