

<p style="text-align: center;">CANDIDATE STATEMENT TAHOE CITY PUBLIC UTILITY DISTRICT</p> <p>Name: JUDY FRIEDMAN</p> <p>Occupation: Small Business Owner</p> <p>Education and Qualifications: Tahoe faces complex challenges that require thoughtful and creative solutions. Maintenance, repair, and replacement of water and sewer infrastructure and providing exceptional recreational opportunities are TCPUD's primary mission and increasing costs demand prudent planning.</p> <p>As a business and homeowner, I appreciate the fiduciary responsibility a Board member assumes. Decisions must be based on sound financial principles and respect for the needs of our tax and rate payers. My business experience and volunteer service provide a unique view to the inner workings of the community. This knowledge informs my perspective on how to best meet our challenges.</p> <p>Tahoe City was a small town when I moved here in 1972. Given the increase in year-round population, we need to work hard to balance our quality of life with growing service challenges.</p> <p>I am fully committed to serving the community in a collaborative and transparent manner. I ask for your support and appreciate the trust that comes with your vote.</p>	<p style="text-align: center;">CANDIDATE STATEMENT TAHOE CITY PUBLIC UTILITY DISTRICT</p> <p>Name: GREG MICKIEWICZ Age: 41</p> <p>Occupation: Business Owner/Father</p> <p>Education and Qualifications: My name is Greg Mickiewicz. I have been a proud resident of Tahoe for nearly 20 years. For the past 16 years, I have successfully operated a business in downtown Tahoe City. My two children were born at Tahoe Forest and attend school in Tahoe City. My wife is an Occupational Therapist at Tahoe Forest Hospital.</p> <p>I am passionate about being more involved in shaping the future of Tahoe City. I am dedicated to bringing vibrance and growth back to our community. As a board member, I will work tirelessly to create a bright future for Tahoe City, ensuring it remains a wonderful place for my children and future generations.</p>
